SECRETARY TO THE GOVERNMENT

GENERAL AND REVENUE DEPARTMENTS.

Sir,

In continuation and with reference to the last para of my letter no 279 dated 16 instant soliciting instructions on certain points in Connection with the approaching Visit of His Excellency the Viceroy, I have the honor to request early orders whether a reserve of carts should be kept and paid for as Colonel Jones has not sent me any indent for carts yet though I asked him about it two or three times I shall be issuing instructions for impressing carts only after hearing from Government as expenditure without a return will have to be incurred if the carts are not used.

In my letter under reference I asked

asked for an advance of only Rs 3000/- as I had then in mind only the (1) requirements of the Camp at Karapur. But Col Jones in his letter a copy of which is herein enclosed for reference says that as on previous occasions he is not going to grant us an advance for supplies he may ask for from the Amildar Mysore. He suggests that for this item also an advance may be obtained from Government direct. I therefore request that a further advance of Rs 2000/- or Rs 5000 in all may be kindly sanctioned in view to meet all the requirements

Sir,

With reference to your letter no 278 dated 16th instant I have the honor to point out that if as I understand, you are getting an advance from Government for local expenditure it would be better that any advance required by the Amildar be made from your own office. This would be the more advisable as this department will not as a rule know how much money may be required or safely advanced for a particular purpose
